YOUTH CONFERENCE CALLED OUT

This is the rock on which I will put together my church, a church so expansive with energy that not even the gates of hell will be able to keep it out. - Matthew 16:18

The theme this year is **"Called Out... The Church"**. Our desire is to help teens, college students, and leaders understand that the church is more than bricks and mortar, but it is flesh and blood!! The church is not a building, but people advancing with the message of Jesus Christ. -- *Robbie Hilton*

We desire the youth of our nation to be shaken into the service of our Lord and Savior Jesus Christ outside the walls of the church. Our conference will be filled with powerful praise and worship and young people of God who have a heart to see the youth of our world begin to serve the Lord at a young age. Our hope and prayer is that the youth who attend experience the presence of God in a way they never have before and that they will be changed forever.

Jabin Chavez is the Youth Pastor and one of the Creative Arts Pastors at The Church at South Las Vegas. His responsibilities include teaching, preaching, leadership development, leading worship for all weekend services, musical arranger, band director and audio director. He also travels preaching and leads worship for churches conferences and camps.

Through his experience as a pastor, teacher, musician and author, Robbie Hilton continues in the pursuit of helping people encounter God through inspired preaching and application of the Word of God. Robbie Hilton is the Associate Pastor of Calvary Church in Johnson City, TN; and his ministry is impacting both students and adults through ministry in the local church and through the television broadcast "Life Begins at Calvary". He has also co-written the book "Changing Natures". Robbie has a Master of Science in Theology from Covenant Bible College.

Also, on Saturday we will be going to Good Samaritan to help pack Thanksgiving boxes for our community to give the youth a taste of what service really looks like. We hope and pray you and your youth group will be able to attend. God Bless You!

Please respond and let us know if you plan on attending and how many will be coming with you by November 4th. We need to get an estimated head count for those going to Good Samaritan on Saturday.
